

April 2021 PTO Meeting

Exec Board: Liz, Taryn, Sara, Andrea

Meeting Called to Order at 6:32 pm

Dr. Hedlund Updates on Term 4 / Summer:

- Back to Business for Fall 2021: Parents must send kids to school in person.
- Term 4: will be at 60% capacity by week of April 24; certain specials teachers are returning to the building this week. They will be permitted to interact with two cohorts. So, each grade level will have one special in-person.
- Promotion Celebration: updates will happen soon.
- Summer Acceleration: many families have received invitations for two weeks of instruction (9a-2p; weeks of July 12 and 19). They are stand alone weeks. They will be focused on Summer Olympics as a "theme." The goal is to have 100 students.
