Shepherd Elementary LSAT Meeting

April 23, 2024

ROLE OF THE LSAT

The Local School Advisory Team (LSAT) is a group of elected and appointed members that exists for every DCPS school.

Our Shepherd team consists of parents, teachers, non-instructional school staff and a community member to advise the principal on matters that promote high expectations and high achievement for all students. The LSAT is a key lever to increasing transparency at DCPS and ensuring decisions affecting school communities are made collaboratively with the help of a diverse group of school stakeholders.
